FISCAL NOTE ANALYSIS**STATE OF ALASKA
2018 LEGISLATIVE SESSION****Analysis**

This bill would extend the repeal date of the Alaska comprehensive health insurance fund statute from June 30, 2018 to June 30, 2024 and, effective July 1, 2018, would deposit insurance premium tax revenues into the general fund instead of the Alaska comprehensive health insurance fund. The general fund and the Alaska comprehensive health insurance funds are existing funds and the change should require minimal work with no significant fiscal impact to the Division of Finance. Therefore, the Division of Finance submits a zero fiscal note.
